

Coolderry Central School Anti-Bullying Policy

1. Introduction

In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Coolderry Central School has **adopted the following anti-bullying policy** within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.

2. Key Principles

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:

a) **A positive school culture and climate which**

is welcoming of difference and diversity and is based on inclusivity;

encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and

promotes respectful relationships across the school community;

b) **Effective leadership**

c) **A school-wide approach**

d) **A shared understanding of what bullying is and its impact**

e) **Implementation of education and prevention strategies (including awareness raising measures) that**

build empathy, respect and resilience in pupils; and

explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;

effective supervision and monitoring of pupils;

f) **Effective supervision and monitoring of pupils**

g) **Supports for staff**

h) **Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and**

i) **On-going evaluation of the effectiveness of the anti-bullying policy.**

3. Defining Bullying

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

deliberate exclusion, malicious gossip and other forms of relational bullying,
cyber-bullying and

identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* and in Appendix 1 of this policy.

4. Relevant Teacher

In accordance with Section 6.8 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* the relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

- The relevant teacher will normally be the class teacher (See 6.8.3)
- Any teacher, including the principal and deputy principal may act as a relevant teacher if circumstances warrant it.

5. Education and Prevention Strategies

The education and prevention strategies (including strategies specifically aimed at cyber bullying, homophobic and transphobic bullying) that will be used by the school are as follows (see

Section 6.5 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*):

School-wide approach

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it-prevention and intervention.
- School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community.
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra curricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.
- Development and promotion of an Anti-Bullying code for the school-to be displayed publicly in classrooms and in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s) of incoming pupils are given a copy as part of the Code of Behaviour of the school.
- The implementation of regular whole school awareness measures may include:
 - A dedicated notice board in the school
 - Annual Friendship Week
 - Questionnaires/Surveys in senior classes
 - Whole-school timetabling of lessons on anti-bullying
 - Assemblies
- The implementation of evidence based programmes such as:
 - Friends for Life
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
 - Direct approach to teacher at an appropriate time, for example after class.
 - Hand note up with homework.
 - Worry box
 - Get a parent(s)/guardian(s) or friend to tell on your behalf.
 - Administer a confidential questionnaire to pupils in senior classes.
 - Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.

Implementation of curricula

- The full implementation of the SPHE curriculum and the RSE and Stay Safe Programmes.

- Continuous Professional Development for staff in delivering these programmes.
- School wide delivery of lessons on bullying from evidence based programmes. These may include:

- Stay Safe Programme
- Walk-Tall Programme
- Anti Bullying Campaign .ie
- Be Safe - Be Web Wise
- HTML Heroes
- Friends for Life
- Get UP Stand UP
- Making the Link & Beyond (PDST)

- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.

6. Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame). All parties involved (pupils, parent(s)/guardian(s) and school staff should understand this approach from the outset.

Reporting bullying behaviour:

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to the relevant teacher in the school.
- A suspicion of bullying should be raised with the relevant teacher first and then, if necessary, with the Principal.
- Parents are asked to make an appointment to speak with the class teacher if they suspect that their child is being bullied.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher.

Investigating and dealing with incidents: Style of approach

- In investigating and dealing with bullying, the relevant teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
 - Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher; It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
 - Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - Whether the relationships between the parties have been restored as far as is practicable;

- Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

Recording of bullying behaviour

- It is imperative that all recording of bullying incidents must be done in an objective and factual manner.
- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.
- The relevant teacher must use the DES recording template (see **Appendix 3** of this policy) to record the bullying behaviour in the following circumstances:
 - a) In cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour occurred; and
 - b) Where the school has decided as part of its anti-bullying policy that in certain/all circumstances bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable.
- When the recording template is used, it must be retained by the relevant teacher in question and a copy maintained by the principal. Records will be retained in line with the school's Data Protection and Retention of Records Policy.

7. Programme of Support

The school's programme of support for working with pupils affected by bullying is as follows (see Section 6.8.16 of the Anti-Bullying Procedures for Primary and Post-Primary Schools) :

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.
 - Friends for Life
 - Roots of Empathy
 - Walk tall
 - NEPS
 - SPHE Curriculum
 - Circle time
- If pupils require counselling or further support, the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or involved in the bullying behaviour.

- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

Appendix 2: Practical tips for building a positive school culture and climate

The following are some practical tips for immediate actions that can be taken to help build a positive school culture and climate and to help prevent and tackle bullying behaviour.

- Model respectful behaviour to all members of the school community at all times. ● Explicitly teach pupils what respectful language and respectful behaviour looks like, acts like, sounds like and feels like in class and around the school.
- Display key respect messages in classrooms, in assembly areas and around the school. Involve pupils in the development of these messages.
- Catch them being good - notice and acknowledge desired respectful behaviour by providing positive attention.
- Consistently tackle the use of discriminatory and derogatory language in the school - this includes homophobic and racist language and language that is belittling of pupils with a disability or SEN.
- Give constructive feedback to pupils when respectful behaviour and respectful language are absent.
- Have a system of encouragement and rewards to promote desired behaviour and compliance with the school rules and routines.
- Explicitly teach pupils about the appropriate use of social media.
- Positively encourage pupils to comply with the school rules on mobile phone and internet use.
- Follow up and follow through with pupils who ignore the rules.
- Actively involve parents and/or the Parents' Association in awareness raising campaigns around social media.
- Actively promote the right of every member of the school community to be safe and secure in school.
- Highlight and explicitly teach school rules in pupil friendly language in the classroom and in common areas.
- All staff can actively watch out for signs of bullying behaviour.
- Ensure there is adequate playground/school yard/outdoor supervision.
- School staff can get pupils to help them to identify bullying "hot spots" and "hot times" for bullying in the school.
 - Hot spots tend to be in the playground/school yard/outdoor areas, changing rooms, corridors and other areas of unstructured supervision.
 - Hot times again tend to be times where there is less structured supervision such as when pupils are in the playground/school yard or moving classrooms.
- Support the establishment and work of student councils.
